Maybe this is what's called fate?

WHAT ARE
YOU FILMING?

HUH?

Hi everyone ~ Welcome to Tana here.

I'm very happy to meet both old and new readers here again.

This time, I'm going to talk about the music I listen to when I was drawing the manga. Because there have been a lot of readers asking, "I always buy the CDs that you mention. What have you been listening to recently?"

Oh, I'll try my best to tell you everything (that I can remember), I hope I can use this as a chance to get to know you guys better. Thank you for everything.

IS IT
HARD?

I'M FILMING
THE WALL
DOOR.

IT'S FOR THE
PROMOTIONAL
VIDEO.

NO, IT'S
GONE
EASY.

An unknown girl.

Ah —

SHE'S A
GENIUS.

Even though
I didn't see
her face.

SHE'S A
BOUNDER
TOO.

But not, even
her before.

AH TO
THAT BOY

ACHIEVE—

OUR DORM
FUNTS ARE TO DO
OUR PROMOTION
VIDEO!

Ah!

THE BOY IS HOT!

Let's

IT'S KINDA

HOW DO YOU
MAKE A GOOD
VIDEO?

HEH —

JUST DON'T
THINK TOO MUCH
ABOUT IT.

OH —

FLIM
WHATEVER
ATTRACTS
YOU.

THAT WAY, IT'S
MORE FUN.

HEY,

SHIMOHARA

Saeko

OK, I'LL TAKE
YOUR ADVICE!

AH,
SHIMAHARA

YOU CAN'T
DESH THIS
KIND OF
THING—

ARE YOU
STILL NOT
FINISHED
WITH THE
PROMOTIONAL

The thing I told

WHERE'S YOUR

I'M JUST
GOING BACK

HMM?

HOW COME
IT RAN OUT
OF BATTERIES
SO QUICKLY?

HA?

IS IT
BACKING?

WHAT?

SO —

WHEN FILMERS
LEAVE
THE LIGHT
ON — ON WILL
GIVE IT A MORE
ARTISTIC FEEL.

DO YOU

Oh —

Ah...

So that's...

what's going on...

HUH?

HEY.

WEREN'T YOU GOING
TO FILM
ME?

DO IT.

In this volume, Gruesome makes his first appearance. Because Watanabe doesn't really put a lot of attention to him, I had to create another guide for him, but I didn't think he'd become so popular! Right now, Gruesome is receiving a lot of e-mails from "You do be handsome, but there's one problem: this Watanabe."

Maybe it's because he's a rare specimen. No wonder he appeals to us as an idol, he's almost as charming. I'm not that good at drawing his eyes, and I'm always being drawn in by his suffering. It's really quite mysterious, his face can't even leave his face—

Now-but only now Gruesome could be called "So do you're no. I believe, huh?" But the no. 1 technician has got to be "Our Love of reading art" and "That's so cute— I really want a story like this—"

Er, using you guys are tired of peaceful inner life and are looking for some stress, I suggest you don't read this one.

Watanabe, just a thought.

Aditya/MISS YOU

When Wankin was supposed to appear and I couldn't draw him properly, the entire process just became stuck at that place and couldn't go any further.

That when I was about to go crazy, I heard this song. For some reason, I immediately became calmer. So I always think of it as Wankin's song (...)

It's a song that reminds me of the quietness of dawn.

That's right, the coaches that I'm wearing this time is sporty looking and shorted are what our author wanted most of the time. Notable

Even so, I still like looking like wearing sporty clothes? Or maybe I just want to see myself wearing them?

I often study when shop additional from various stores later. But of course I'm very careful about it. I can't have them discovering me. Also, for example, if I want to buy a mini-skirt today, I'll (shameless shop till) drop, and I'll pick up my contacts. Maybe it's my natural laziness? Even though I usually will never befriended nor to overdo it, I'll always end up shopping way too much. Haha and I've been in the too shop stuff. Huh?

Then, later is it true I normally wear those old t-shirts and shorts? I must be my laziness.

hate the fact in those
places. After I like to see
them in no more for

things. I wonder...

Though I could never
drink, I love the dishes
they made for snacks in
the bars, like cheese,
coconut, dry fruits, etc.
After I'm going to meet
the deadlines, I love
snacking on edamame.
Sometimes I even spray

*Solam Moonlight (album title)*

I discovered Solam awhile ago from a reader's recommendation. I got a tape... then I was hooked!

My personality is more reserved, so Solam's straightforward lyrics are kinda hard to digest for me. However, she's the type of person who plays her piano to bare her soul.

Anyhow, I keep listening to her. She lately added guitar pieces so I started listening to guitar too.

I went to South Korea for business. I was quite nervous but people there were friendly. I had a great time! They read me COMICS and knew I love sweets, so many people gave me sweets and juices. I also got Korean CDs from them as well as books, snack-recipes, etc. I am so happy yet I couldn't speak Korean. I was afraid I didn't express most things. I hope they understood I was really happy that they came to see me... since I am not a very social person. I want to thank everyone from the bottom of my heart.

Beauty is the Beast

BEAUTY IS THE BEAST

Bruce Hornsby and the Range / The Way It Is  
I have been searching for this song for 8 years! Finally found it so I  
wrote it here to share my happiness.  
This is a song with racing piano music. It would guarantee to wake  
you up even if you are sleeping! Definitely not for relaxation!

I had readers asking about Washin being called "Tama" so I have officially named him "Tama", starting today. When I was in high school, the great beauty in our class was called "Tama". Though she quit school before I got to know her, she left a deep impression on me. So I borrowed her name without permission.

In the previous work, I named a piano teacher after a boy I went to grade school and junior high with (again, no permission obtained). He became a teacher and I got a letter from one of his students I name the characters after people I knew. Hopefully so one will be mad at me.

## Christmas

—a celebration to  
the birth of Jesus.

However, in  
Sekai Private  
Academy, girls  
dorm...

In Christianity, this is a joyous  
holiday to celebrate with families  
(or your significant others).

I seem to listen to piano music when I work but actually I  
also listen to NTV charts. Like this time, I listened to R. Ma,  
Crystal Kay, Ai, Soulhead, and DaViT while I draw.  
There's one type of music which I couldn't stand. It is Three  
OF (they still exist) I fall asleep instantly.  
I can't make out the ambiguous music. I guess I prefer  
strong beat.

NO  
GOOD!

YOU MUST  
SCRUB THE  
WHOLE AREA  
SPOTLESS!!

DEAR  
GOD!

WHEN WILL  
WE EVER  
BE DONE?

..It is the  
cursed day  
of house  
cleaning.

THEREFORE,  
TONIGHT  
IS...

ALL  
EVERYBODY IS  
STAYING OVER  
TO CELEBRATE.

BUT...  
IT IS ALSO  
CHRISTMAS

These girls  
seem to  
celebrate

school...

Great goes with the  
dribble, which I always  
have a hard time  
finding topics.  
How about my friend-  
sized Airtel. I want a  
broader topic that  
everyone knows, but  
that's too frivolous.  
Oh no - I'm becoming  
like Gleason, so I need  
over. If you have any  
suggestions, please let  
me know.

I cannot appreciate  
prayers from my  
readers. They give me  
the strength to carry  
on. This year, I'm writing  
no reply to them. Thank  
you so very much  
[Special thanks to my  
parents and an editor  
who always encourage  
me when I have a hard  
time]. Most of all, my  
reading of their
